HARVEST

How have you chosen to die to self and then seen God bring about something beautiful? In other words, how have you gone the way of the cross and seen God bring life to your day to day decisions?

Read John 12:27-36. Note that in verse 27 Jesus said His soul was troubled. He knew the cross was before Him and yet He surrendered to it. If Jesus was troubled by what laid before Him, I know that I will be troubled at times. But, I also know that I can move forward because of verses 31-32. Jesus has defeated the world, Satan, and paid for my sins. It is important to not be defined by the things that trouble us. We are defined by what Jesus has done and who we are in Him. Have you allowed troubles to direct the course of your life or are you facing them with Jesus? What does it look like to face them with Jesus?

Read 2 Corinthians 2:12-17. God's Word says that He always leads us in triumph in Christ. What does that mean?

Is there something from the sermon, or from your own devotional time, that spoke to you, and you would like to share?

Is there something you need prayer for this week?
