

Preparing for your Baptism Testimony

Baptism does not save you, Jesus saves you as you place your faith in Him. Also, Baptism does not wash away your sins. Jesus washes away our sin by the blood of His cross the moments we believe in Him.

But, baptism is an important part of following Jesus. Jesus was baptized and gave us the command to be baptized. Baptism is a way of obeying Jesus and telling others what He has done for us in saving us. It is a way to confess Him as our Lord and Savior.

As you prepare for your baptism video testimony, here are some questions to help guide you through the process.

(1) How did you come to a saving faith in Jesus Christ?

Tell us a little about how and when you came to believe in Jesus to be saved. If you do not have a specific time and place tell us how you know you are a Christian?

(2) Why are you being baptized or what does baptism mean to you?

Again, baptism does not wash away our sins. That has already happened as you believed in Jesus. Baptism is our way to obey Jesus and tell others we are following Him.

(3) Close with something like, "My name is _____, and I am being baptized because Jesus is my Lord and Savior."
