HARVEST

God's kindness is all around us, but we often do not notice or acknowledge it. Where do you see God's kindness in your life? How does God's kindness shape the way you see yourself, and the way you treat others?

In what ways have you seen the power of God at work when you have humbled yourself? If there is something in your life right now, where it is time to acknowledge your need, humble yourself, and seek the power of Christ to transform you? If so, what does it look like to humble yourself? What steps do you need to begin taking today?

Is there something from the sermon, or from your own devotional time, that spoke to you, and you would like to share?

Is there something you need prayer for this week?
