HARVEST

In Colossians 2:1-3, Paul greatly desired to encourage the church. Sometimes the busyness of life can cause us to look right past the needs around us and miss opportunities to encourage people in Christ. While we all can have limits on our time based on our work environments, is there something that you can do to make yourself more available as an encourager? How can you be more purposeful in encouraging others?

Do we spend our time agonizing over people in prayer or do we simply worry? What's the difference?

Read Revelation 3:14-22. Jesus is speaking to the church at Laodicea that is mentioned in Colossians 2:1. Try to put that message in your own words. Does it apply to what we see in the world and church today? If so, what do we do about it?

Is there something from the sermon or your devotional time that spoke to you that you would like to share?

Is there something you need prayer for this week?
