HARVEST

Colossians 2:10 tells us that we are complete in Jesus. What does that mean in general, and then specifically, what does it mean to your life this week?

What are some ways that we might be tempted to doubt the sufficiency of Jesus? What are the types of things we might trust in or look upon to add to Jesus or that might even take His place in our lives?

Read John 1:14-18. What does it mean to receive grace from the fullness of Jesus Christ?

Is there something from the sermon, or from your own devotional time, that spoke to you, and you would like to share?

Is there something you need prayer for this week?
